

2026

It is with deep sadness that we share the news of Dr. Bob Wright's recent passing. He passed away on May 2, 2026. His wife and family were at his side in Hobart, Tasmania, Australia.

Bob was a great inspiration and friend to us all in Maths Recovery. He leaves behind a legacy that will live on through the educators who study, practice, and carry forward his research and pedagogy. We will miss his generosity and remember his friendship with fondness.
